**To prep:** Assemble as recipe directs in pan you plan to freeze it in. Cover with two layers of heavy duty aluminum foil. Write cooking directions on foil in permanent marker.

**To cook:** To cook from frozen, bake covered in a 375 degree oven for 1.5 hours. To cook from thawed, bake covered in a 375 degree oven for 1 hour. Remove foil for last 10 minutes of baking.

**To serve:** Slice into squares and serve with your favorite vegetable and garlic bread.
